

X-PURE GEL HAND SANITIZER - Specifications

VERT-2-GO X-PURE GEL HAND SANITIZER is an Alcohol Based Hand Sanitizer (ABHS) containing 72% Alcohol as the active ingredient and with olive oil-based moisturizer and vitamin E. Formulated with emollients to enhance the feel of skin and allow frequent use. VERT-2-GO X-PURE GEL HAND SANITIZER is EcoLogo® certified under the EcoLogo® Environmental Standard CCD-170 Instant Hand Antiseptic Products.

VERT-2-GO X-PURE GEL HAND SANITIZER

APPLICATION

Apply enough VERT-2-GO X-PURE GEL HAND SANITIZER into hands to cover all surfaces thoroughly, including under nails and between fingers. Rub hands together vigorously until dry. Do not rinse or wipe off hands. Use as part of a daily hand cleansing routine.

STORAGE AND HANDLING

Flammable liquid and vapors. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. Do not smoke in storage area or while handling this product. Use only in a well-ventilated area. Take action to prevent static discharge around this product. Store away from combustibles, extreme heat and oxidizing agents. Use only non-sparking tools and equipment when handling this product. Grounding and bonding is recommended during handling and storage of containers of 20 L and over.

WASTE DISPOSAL

Rinse empty containers with cold water and recycle packaging where facilities exist. Unwanted or unused product should be consigned to a registered waste disposal company for disposal.

NOTE

All surfaces in direct contact with food must be rinsed thoroughly with potable water before reuse. Performance tests for the EcoLogo® certification performed at a concentration of 30 mL/L. The dilution was prepared with unheated tap water. VERT-2-GO X-PURE GEL HAND SANITIZER is recommended for organic production under CAN/CGSB-32.311 and 310.
